

FOUNDCHAIN Decentralized Network: LEADING A TRUSTLESS REVOLUTION

1. Terms of Use.

- 1.1. FOUNDCHAIN is a decentralised network operated by the FOUNDCHAIN Community holders of FCHAIN supported by Master Nodes and Proof of Stake consensus mechanism.
- 1.2. FCHAIN the ticker of FOUNDCHAIN decentralised network has as its primary purpose a digitised utility token to be used on platforms originated or partnered with other parties by the FOUNDCHAIN Team, its Community, among other bodies.
- 1.3. The new platforms to be created may be separate legal entities with their own terms. FCHAIN may also be listed on exchanges. All users will have to satisfy terms relating to specific platforms or exchanges to be eligible to use them. No assurances are being given to users or purchasers of FCHAIN as to whether they will be able to satisfy terms that apply to specific platforms or exchanges.
- 1.4. None of FOUNDCHAIN Community members, founders, team, its developers or contributors, approve the use of FCHAIN for illegal activities.
- 1.5. Anyone who intends to use FOUNDCHAIN or FCHAIN should check their own jurisdiction and consult an attorney if unsure so as not to contravene any laws.
- 1.6. No information, message provided on FOUNDCHAIN website or any other message or information communicated on any of its medium of communication channels or platforms, by its founders, community, developers or contributors should be considered legal, financial or investment advice.

FOUNDCHAIN Decentralized Network: LEADING A TRUSTLESS REVOLUTION

1.7. Authorities in European and other countries are warning users of the high risks associated virtual currencies and the fact that they are extremely risky and highly speculative. FOUNDCHAIN Community members, founders, team, its developers or contributors provide no guarantees whatsoever and will like to make you aware that you may never be able to recover the amount you spent to buy your FCHAIN's.

2. Network and other risks.

- 2.1. Due to fact that crypto currencies, tokens, digital coins and block chains including FOUNDCHAIN and FCHAIN are new advancing technologies, there are risks that no one has foreseen. For those that can be foreseen, they may be out of control.
- 2.2. FOUNDCHAIN Community members, founders, team, its developers or contributors provide no guarantees whatsoever and will like to make you aware that you may never be able to recover FCHAIN's whether from or to your wallet or in transit. The FOUNDCHAIN team will do their best to recover FCHAIN's but cannot be held liable if they are unsuccessful.
- 2.3. With rapid advancement in technology, there may be need to make changes including that of the underlying technology to mitigate risk among other factors. The roadmap is provided as guidance. All effort will be placed in ensuring milestones on roadmap are achieved. However, the activities, timing of those activities or milestones on roadmap may change without notice. All rights reserved in making such changes.

FOUNDCHAIN Decentralized Network: LEADING A TRUSTLESS REVOLUTION

3. Terms of Sale.

- 3.1. There are different offers including special considerations at different phases of presale and other periods. Giveaways with or without consideration including airdrops and swaps for other tokens at different periods may also take place.
- 3.2. FOUNDCHAIN community may be given the opportunity to invest in the platforms to be created via Special Purpose Vehicles (SPV). Special consideration for investment in first platform may be given to Master Nodes (MN) bought at presale phase 2 stage (only) as an additional bonus to the presale offer. Due to market uncertainties and other risks identified above, no assurance is being given as to the special consideration or the opportunity to invest in the platforms.
- 3.3. It is very important to purchase MN's only through formal channels specified during presale. This is the only way you may be able to take advantage of potential future offers.
- 3.4. Every user should carry out their own research and due diligence and if unsure, seek professional advice before using FOUNDCHAIN or acquiring FCHAIN. By acquiring and using FCHAIN, you understand and acknowledge the terms of sale, the terms of use, the network and other risks involve in dealing with virtual currencies or tokens in general and in particular FCHAIN.
